

# PERSONAL TAX REFUNDS

A SIMPLE AND EASY SERVICE TO HELP YOUR CONTRASTORS GET BACK ALL THE MONEY THEY'RE ENTITLED TO.

## OVERVIEW

1 in 3 employed taxpayers have paid too much tax in the last 4 years due to HMRC issuing contractors with the wrong tax code. The long and sometimes complicated process of getting this money back can cause contractors to suffer from unnecessary financial stress.

With The Tax Refund Company, you can give your contractors support, education and all-important peace of mind. They offer a free, professional and comprehensive tax code review which guarantees that contractors will get back all the money they are entitled to and will have the correct tax code going forward.

## KEY FEATURES

- Tax review is completely free of charge for contractors. They only pay a fee when they receive a tax refund.
- Handles all correspondence with HMRC so contractors don't have to.
- Contractors will get back any money incorrectly paid to HMRC over the past 4 - 5 years.
- A tax refund and / or increase in net income can reduce contractors stress and improve productivity.
- Gives contractors assurance that they have paid and are paying the correct tax.
- No cost to the employer for setting up or offering the benefit.
- Low administration and easy to implement – no extra work for your HR or Payroll department.

## HOW IT WORKS

- 1 Contractors can access the tax review calculator via advantage, where they can check if they qualify for a tax review.
- 2 The Tax Refund Company will check the tax the contractor has paid in the current year and in each of the previous 4 years is correct.
- 3 If they find that a contractor has paid too much tax, they will arrange for HMRC to correct their records and refund the money owed to the contractor.

The screenshot shows a mobile app interface for TAXrefundCo. At the top, there are logos for TAXrefundCo and peoplevalue. Below the logos, the text reads: "Great, let's get started. You are just a few questions away from finding out how much money we could get back for you." The form contains several input fields: "First Name", "Last Name", "Post Code", and "Your Individual Voluntary Arrangement Reference Number". Below these are two dropdown menus: "Are you currently:" with the option "Please select one" and "Marital Status" with the option "Please select your marital status".
